

Ms. LOPEZ'S MATH NEWSLETTER

Keep up the great work!

As many of you know, I have been making my website better through the year, Be sure to check out the hints to POWS, If you are stuck go to the Website and find a hint! I have also put the newsletters online with hints and answers to all of the sections you see here.

There are also hints and answers to the newsletter on the back wall in the classroom.

If you have any suggestions to make the website better, I would love to hear them!

Share these with your family and siblings and enjoy math! Happy Puzzling,

Ms. Lopez

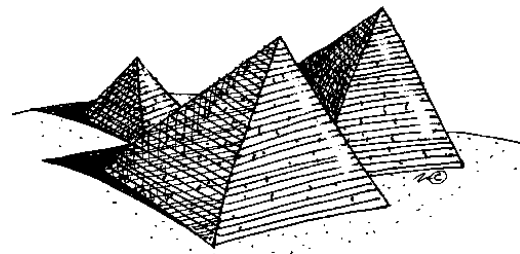

Logic Puzzle

Four friends: Dave, Mike, John and Terry are nicknamed Stick, Batman, Atomic Head and Feaser, but not in that order. What is the nickname of each?

- A. John is faster than Batman but not as strong as Atomic head.*
- B. Batman is stronger than Terry, but slower than Feaser.*
- C. Dave is faster than both John and Stick, but not as strong as Batman.*

*Which pyramid is taller?
Measure them to check.*

Math and Visual Arts

Does this picture makes sense?

With Effort, you can do it! I believe in you! I wont give up on you!
